VALUE: High Volume + Low Profit Margin permits what we consider to be the best values in the industry. Prove this to yourself. Compare our prices to other dealers. In most instances, our prices will be lower. When they are just competitive, our quality and service will make the difference.

QUALITY: You will not be helping yourself by buying price only. You may be able to save a couple of bucks elsewhere on a couple of items, but our better quality and friendlier service will more than compensate for any price difference.

RELIABILITY: We challenge any organization to exceed us in this area. We have been major dealers for over 30 years. We have been recipients, for numerous years, of the most prestigious mail order awards in the business. We ship the majority of orders within 48 hours.

CREDIT CARD INFORMATION

The following restrictions are in effect on credit card orders:

1. We accept VISA, MasterCard and Novus.
2. Send all information exactly as it appears in raised print, including expiration date.
3. Advertised prices are "CASH" discounted 3 1/2%! Regular prices are 3 1/2% higher than those advertised. This advertised cash discounted price only applies **when payment is made by cash, checks, money orders or "wire transfer."** ALL other types of payments that require more administrative work, delay in transfer of funds, will constitute conditions to charge our regular price and no discount shall apply, (such as transactions in foreign currencies, financial plans, credit cards, etc.). Therefore, if payment is made in any other form or means other than those qualifying for the cash discount (Advertised Prices), the NON-CASH REGULAR price will be charged. We are not charging anyone more for how they pay; we are, however, rewarding cash customers because they save us time, money, and paperwork.
4. Charge cards must verify before shipment is made. Non-cash fees are non-refundable.

NOTE: Charge orders may only be sent to the billing address of the person owning the card. Please allow 5 to 10 days for delivery by U.S. Post Office after the order is filled.

ALTERNATE SELECTIONS

A few items listed are one-of-a-kind in our stock. Please list alternate choices below to better enable us to fill your order when the first items requested have been sold out. An unfilled order is disappointing to both of us. We will not send alternate choices unless the first items have been sold. The larger your want list of alternate choices, the greater the chance is of our completely filling your order.
Ordering for a type piece? If so, just list "Same Type" as your alternate choice. We will then send a piece of the similar design type and of equal or higher value if the first item requested has been sold out.

PLEASE ADVISE US OF YOUR EMAIL ADDRESS IF YOU WISH TO BE CONTACTED WITH PERIODIC OFFERINGS. KINDLY EMAIL US AT **sales@southerncoin.com**

If you have coins to sell, we are one of the nation's leading buyers of all numismatic material. Contact one of our buyers at 770-393-8000. We can be at your bank within 48 hours for larger collections.
